# INCENDIARY

*The Willingham Case*

In 1991, Cameron Todd Willingham's three daughters died in a Corsicana, Texas house fire. Tried and convicted for their arson murders, Willingham was executed in February 2004 despite overwhelming expert criticism of the prosecution's arson evidence.

Today, Willingham's name has become a call for reform in the field of forensics and a rallying cry for the anti-death penalty movement.

Equal parts murder mystery, forensic investigation and political drama, INCENDIARY documents the haunted legacy of a prosecution built on "folklore."

**Incendiary: The Willingham Case**

*A Documentary by Steve Mims and Joe Bailey, Jr.*

*Film Released on October 7th, 2011*
