|------------------------|-------|
| 5 absolute arena | 05:30 |
| 6 illusionary argument | 07:00 |
| 7 mountain top | 12:39 |

It is a change in the collective consciousness.
waves enter the body with spiritual repetition, hypnotic swells beckon a spectral evolution.
There are no apocalyptic horsemen or fires of doom, just sensations that command the divine and the terrestrial.

Pulsating crests bend the arc of time, the temporal starts to unravel, the being is no longer.

In this epoch, the end is the beginning.
